BATTORAL SMERRYT COUNCIL DITELLIGISCE DISCOUNTE

Personnt to the previsions of Section 101(b)(1) of the National Security Act of 1947, and in order to enable the Staff of the National Security Council to prepare the studies required by Section 101(b)(1) as directed at the Council's first meetings

- 2. It is directed that the Central Intelligence Agency, in soliaberation with other agencies concerned, shell prepare and maintain lists of national intelligence objectives by country, area, or subject as a basic guide to the coordinated collection and production of intelligence required for the preparation of studies to be considered by the National Security Council.
- 2. These lists, when prepared, will be submitted to the Emerative Secretary of the Mational Security Council for consideration and comment by him and by appropriate departmental officials. With much comment attached or incorporated, these lists will be immed by the Director of Central Intelligence to control the production of intelligence by the Central Intelligence Agency prepared for the Mational Security Council and to govern the contributions to such production by other agencies concerned.
